WORK EXPERIENCE

Web Developer Team Member • Part-time

Nust Orientation'23 • Islamabad • Jul 2023 – Sep 2023

I collaborated closely with a talented team to develop a visually striking website using Next.js, and enhanced the user experience with custom animations powered by Framer Motion. This experience allowed me to deepen my skills in modern web development, incorporating advanced techniques to create dynamic and eye-catching designs that captivated users and met project objectives effectively.

Web Developer Internee • Internship

Fillinx Solutions • Faisalabad • Jun 2022 – Sep 2022

I collaborated with a team to develop diverse web projects, meeting specific needs and requirements. During this internship, I gained hands-on experience in building modern layouts, learning current design trends, and contributing to the development of engaging user interfaces.

Freelance Web Developer • Part-time

Kubix Solutions (Personal Brand) • Islamabad • Feb 2023 – Mar 2024

I independently developed custom websites, managing domain hosting setups to precisely align with diverse client specifications. By leveraging this experience, I ensured each project stood out by delivering tailored solutions that seamlessly integrated modern design aesthetics with robust functionality.
